ATTENTION: TO ALL TENDERERS

TENDER: PROVISION OF REMEDIAL WORKS FOR ELIDZ FACTORIES AUTOMATIC FIRE SPRINKLER SYSTEM (ES/26/AFSS/01

ISSUING OF ELECTRONIC BILL OF QUANTITIES

We enclose an 'Electronic Bill of Quantities' for the above-mentioned project on conditions detailed below.

1. The worksheet is provided with no warranty, and for information/tender preparation purposes only

2. Tenderers are required to complete the applicable pages and bound into the original, un-altered, tender document – when ultimately submitting a tender.

3. Should the ELIDZ discover, subsequent to the award of the tender, that the successful tenderer has amended any wording of the original tender document, then this action shall render the awarded tender/contract liable to immediate cancellation by the ELIDZ with subsequent recovery from the successful tenderer of all costs incurred by the ELIDZ in both the original tender process and any subsequent retender processes which may be necessary, together with any monthly payments which may have been paid to the successful contractor as a result of the award of the tender. Additionally, should any subsequent retender process by the ELIDZ result in a less financially favourable tender being accepted by the ELIDZ, then the original (now cancelled) tenderer shall pay to the ELIDZ the difference in tender prices

We trust that you find the above in order. Should you have any queries please do not hesitate to contact Anathi Mzantsi on email to anathi@elidz.co.za

Yours faithfully
