

REQUEST FOR PROPOSAL (RFP)

SUPPLY OF TECHNICAL EQUIPMENT

The **East London Industrial Development Zone SOC Ltd** is the operator of the East London Industrial Development Zone (ELIDZ), an entity which exists to help manufacturers to become globally competitive through the development and efficient management of a modern, purpose built industrial location, which offers investing industries a streamlined business environment enhanced by a range of supporting services. The zone is already operational and currently houses a number of manufacturers that supply products for the local and international markets.

The Science and Technology Park (STP) component of the East London Industrial Development Zone (EL IDZ) has been established to contribute towards increasing the competitive and comparative advantages of the zone as an investment destination through the utilization of innovation.

The ELIDZ STP aims to facilitate creative, technical solutions to problems - to assist companies adopt innovative approaches in all their operations, whether it leads to new products and services, or a new improved version of an existing offering, through improved processes. Interactive and attractive workspaces serve to stimulate the establishment of a functional innovation ecology that not only allows for an effective and efficient exchange of ideas, but also results in the activation of a wide range of funding streams and joint partnerships which support innovation and commercialisation.

SCOPE OF WORK:

The ELIDZ invites suitably qualified and competent service providers to respond to a Request for Proposal (RFP). The purpose request for proposals (RFP) is to seek from qualifying service providers the supply technical equipment to be used in conjunction with the STP's innovation agenda. The equipment will consist of:

- **1 CNC Lathe**
- **Laser Engraving Machine**
- **Inverters**
- **3D Scanner**
- **Detector for H2, CO2 and CO**
