

NOTICE OF TENDER WITHDRAWAL

ASSETS MANAGEMENT PROJECT

The **East London Industrial Development Zone SOC Ltd** is the operator of the East London Industrial Development Zone (ELIDZ), an entity which exists to help manufacturers to become globally competitive through the development and efficient management of a modern, purpose built industrial location, which offers investing industries a streamlined business environment enhanced by a range of supporting services. The zone is already operational and currently houses a number of manufacturers that supply products for the local and international markets.

SCOPE OF WORK:

The ELIDZ is seeking to appoint a suitable service provider to provide Assets Management Project. The project comprises determining and physically capturing backlog asset information, purchasing of a software solution and providing ongoing system support. The outcome of the proposed project will include an automated asset management system that is able to produce both accurate asset information as well as trend information. This will allow for improved asset management (short and long term asset maintenance, budgeting for CAPEX replacement and reducing misappropriation of assets) as well as improved financial reporting.
