FOR THE PROVISION OF INTERNAL AUDIT SERVICES FOR THE EAST LONDON  
INDUSTRIAL DEVELOPMENT ZONE SOC LTD

## 1 EVALUATION CRITERIA AND COMMERCIAL EQUITY GOALS

The East London Industrial Development Zone (ELIDZ) supports national transformation goals and strives to target its procurement to create opportunities for Historically Disadvantaged suppliers and service providers. In awarding this tender, preference will be given to companies with a better rating in terms of contributions towards Broad Based Black Economic Empowerment (BBBEE).

The “tender” will be evaluated in accordance with the ELIDZ Procurement Policy using the 80/20 rule i.e. 80 of evaluation points will be based on price competitiveness and 20 will be based on BBBEE status. The following formula is used:

Calculation of the points for Price:

$$Ps = R \times \left[ 1 - \frac{Pt - Pmin}{Pmin} \right]$$

Where:

Ps = Points scored for price of tender under consideration

R = Percentage of the price

Pt = Rand value of tender under consideration

Pmin = Rand value of lowest acceptable tender

R must be up to a maximum of 80

Score Breakdown:

Price (R) = 80 points

BBBEE = 20 points

A maximum of twenty (20) points will be awarded to a tenderer for achieving BBBEE objectives.

Preference points shall be awarded on the basis of a B-BBEE verification certificate issued by an accredited Verification Agency.

Tenderers are required to submit a Valid original or certified B-BBEE Certificate. Failure to submit a valid B-BBEE certificate will result in zero points being awarded for preference.

The following table shall be used to convert the contribution level as per B-BBEE certificate into points.

Table: B-BBEE Points Conversion

Level Contribution	B-BBEE Score	Points Conversion 20
Level 1	>100%	20
Level 2	85~100%	18
Level 3	75~85%	14
Level 4	65~75%	12
Level 5	55~65%	8
Level 6	45~55%	6
Level 7	40~45%	4
Level 8	30~40%	2
Non-Compliant	0~30%	0

Companies with annual turnover less than R10million (Exempted Micro Enterprises or EME's) are automatically awarded a level 4 contributor status, unless the EME is Black Owned (more than 50% black ownership), in which case the enterprise will have a level 2 contributor status. EME which is 100% black owned qualifies for a level 1 contributor. In awarding the EME status, the ELIDZ shall accept a letter from an accounting firm or SARS confirming a company's turnover as less than R10m as well as a sworn affidavit confirming annual turnover and level of black ownership. B-BBEE certificates issued by non-accredited verification agencies will not be accepted as valid proof of a company's B-BBEE status.

No points will be awarded for achieving B-BBEE objectives if the total percentage scored for B-BBEE is less than 30%. All tenders with functionality less than 70% of the total functional requirements will not be considered for the next stage of tender evaluation. Proposals with the total price exceeding the project estimate by 30% will not be considered.

The tender will be awarded to the bid with the highest number of points. A tender may be awarded to a bidder that did not score the highest number of points if reasonable and justifiable grounds exist.

Any contract offered by the ELIDZ will be based on the correctness of information submitted by the service providers. Any misrepresentation of facts by a service provider may lead to disqualification. Should such misrepresentation be uncovered after the commencement of the contracted work, the ELIDZ reserves the right to terminate the contract and recover all payments made to that service provider and any costs that may have been incurred in the process.

ELIDZ reserves the right to have the tenderer's Black Economic Empowerment Credentials verified by an independent agency. (Procurement Handbook – Annexure: 1 must be fully completed and supplementary information may be completed by service providers with a turnover of less than R10m and be accompanied

by letter from an accounting firm or SARS confirming the company's or sworn affidavit turnover is less than R10m).

## 1. Introduction

The objective of this bid is to appoint a suitable, independent service provider that can provide an appropriate internal audit service for the Accounting Authority and management of the ELIDZ. In terms of the Public Finance Management Act (PFMA), the ELIDZ should have an effective internal audit function, which should also comply with the Institute of Internal Auditors' (IIA) standards. The internal audit function should assist the ELIDZ to accomplish its objectives by bringing a systematic and disciplined approach to evaluating and improving the effectiveness of risk management control and governance processes. The risk management strategy, including the Fraud Prevention Plan, must be used to direct the internal effort.

One of the objectives of the internal audit function is to assist the Audit and Risk Committee (ARC), and through it the Accounting Authority and management, in the effective discharge of their responsibilities. This has to be done through furnishing them with analyses, appraisals, recommendations, counsel and information concerning the activities that have been reviewed as well as regular follow-ups. Other objectives/standards/controls of the audit function, which are subject to an evaluation, are to review the following:
