Note the Following:

Please note that if the Grand Total Price in Supporting Price Schedule is not the same as the one in the Tender Proposal Price Schedule, only the amount that is written in words in the Tender Proposal Price Schedule will be considered.

Please include a detailed price schedule within this response as an annexure.

Annual inflation related escalation must be considered when calculating the total cost per year for year 2 and for year 3. This means that:

- a. The cost for year 2 = (cost for year 1 + percentage annual inflation related escalation)
- b. The cost for year 3 = (cost for year 2 + percentage annual inflation related escalation)
