## 1 EVALUATION CRITERIA AND COMMERCIAL EQUITY GOALS

The East London Industrial Development Zone (ELIDZ) supports national transformation goals and strives to target its procurement to create opportunities for Historically Disadvantaged suppliers and service providers. In awarding this tender, preference will be given to companies with a better rating in terms of contributions towards Broad Based Black Economic Empowerment (BBBEE).

The “tender” will be evaluated in accordance with the ELIDZ Procurement Policy using the 80/20 rule i.e. 80 of evaluation points will be based on price competitiveness and 20 will be based on BBBEE status. The following formula is used:

Calculation of the points for Price:

$$P_s = R \times \left[ 1 - \frac{P_t - P_{min}}{P_{min}} \right]$$

Where:

$P_s$  = Points scored for price of tender under consideration

$R$  = Percentage of the price

$P_t$  = Rand value of tender under consideration

$P_{min}$  = Rand value of lowest acceptable tender

$R$  must be up to a maximum of 80

Score Breakdown:

Price ( $R$ ) = 80 points

BBBEE = 20 points

A maximum of twenty (20) points will be awarded to a tenderer for achieving BBBEE objectives.

Preference points shall be awarded on the basis of a B-BBEE verification certificate issued by an accredited Verification Agency.

Tenderers are required to submit a Valid original or certified B-BBEE Certificate. Failure to submit a valid B-BBEE certificate will result in zero points being awarded for preference.

The following table shall be used to convert the contribution level as per B-BBEE certificate into points.

Table: B-BBEE Points Conversion

Level Contribution	B-BBEE Score	Points Conversion 20
Level 1	>100%	20
Level 2	85~100%	18
Level 3	75~85%	14
Level 4	65~75%	12
Level 5	55~65%	8
Level 6	45~55%	6
Level 7	40~45%	4
Level 8	30~40%	2
Non-Compliant	0~30%	0

Companies with annual turnover less than R10million (Exempted Micro Enterprises or EME's) are automatically awarded a level 4 contributor status, unless the EME is Black Owned (more than 50% black ownership), in which case the enterprise will have a level 2 contributor status. EME which is 100% black owned qualifies for a level 1 contributor. In awarding the EME status, the ELIDZ shall accept a letter from an accounting firm or SARS confirming a company's turnover as less than R10m as well as a sworn affidavit confirming annual turnover and level of black ownership. B-BBEE certificates issued by non-accredited verification agencies will not be accepted as valid proof of a company's B-BBEE status.

No points will be awarded for achieving B-BBEE objectives if the total percentage scored for B-BBEE is less than 30%. All tenders with functionality less than 70% of the total functional requirements will not be considered for the next stage of tender evaluation.

The tender will be awarded to the bid with the highest number of points. A tender may be awarded to a bidder that did not score the highest number of points if reasonable and justifiable grounds exist.

Any contract offered by the ELIDZ will be based on the correctness of information submitted by the service providers. Any misrepresentation of facts by a service provider may lead to disqualification. Should such misrepresentation be uncovered after the commencement of the contracted work, the ELIDZ reserves the right to terminate the contract and recover all payments made to that service provider and any costs that may have been incurred in the process.

ELIDZ reserves the right to have the tenderer's Black Economic Empowerment Credentials verified by an independent agency. (Procurement Handbook – Annexure: 1 must be fully completed and supplementary information may be completed by service providers with a turnover of less than R10m and be accompanied by letter from an accounting firm or SARS confirming the company's or sworn affidavit turnover is less than R10m).

## 2 CONDITIONS OF TENDERING

### General Conditions

**PLEASE NOTE THE FOLLOWING CONDITIONS ARE APPLICABLE TO THIS TENDER.**

- There will be no compulsory briefing session.
- Questions relating to the RFP will be accepted until 16h00 on the 27 November 2020. All questions must be submitted to Anathi Mzantsi via e-mail to [anathi@elidz.co.za](mailto:anathi@elidz.co.za)
- The closing date for this tender is at 12h00 on the 04 December 2020;
- E-mailed, faxed, late, or incomplete proposals will not be considered;
- ELIDZ is not obligated to accept the lowest or any proposal;
- Tender documents are to be securely bound;
- Any expenses incurred by the tenderer in preparing and submitting the proposal will be for the tenderer's account, as the ELIDZ SOC Ltd will not accept any liability in this regard;
- We reserve the right to correct discrepancies and errors as necessary with the consent of the tenderer; however, the value total of the prices shall remain unaltered;
- Proposals which do not comply with the tender conditions or which are incomplete will, as a general rule, not be considered.
- Tenderers must be registered on CSD database from Treasury.

## 3 SIGNATURES ON TENDERS

All tenders submitted must be signed by that individual, or by someone on his behalf duly authorized and proof of that authority must be attached. All tenders submitted by a company must be signed by a person duly authorized thereto by a resolution of the Board of Directors, a copy of which resolution, duly certified by the Chairman of the company can be submitted with the tender.

If the tender is submitted by a joint venture of more than one person and/or companies and/or firms it shall be accompanied by:

A certified copy of the original document under which the joint venture was constituted. This document must clearly define the conditions under which the joint venture will function, as well as the duration and participation of the several constituent persons and/or companies and/or firms.

A certificate signed by or on behalf of each participating person and/or company and/or firm authorizing the person who signed the tender to do so.

In instances of a joint venture, each participating person and/or company and/or firm must complete and submit Annexure 1 (Procurement Handbook) with the tender together with all profit sharing percentage information.

#### **4 AREA OF SERVICE/POINT OF DELIVERY**

The delivery of services will be required at the ELIDZ office, Lower Chester Road, Sunnyridge, East London.

#### **5 SPECIAL CONDITIONS APPLICABLE TO THIS CONTRACT**

Service Providers must note the following special conditions of contract will apply to this contract:

Modification of any applicable terms of reference of this contract must be mutually agreed between the parties and reduced to writing.

- VAT: Unless otherwise stated all prices will be inclusive of **Value Added Tax**.
- All services provided must comply and be in accordance with pertinent laws and policies of government.

Where the SERVICE PROVIDER has incurred any liability to the CLIENT, whether arising from or under this Agreement or otherwise howsoever arising, the CLIENT may, without notice to the SERVICE PROVIDER set-off the amount of such liability against any liability of the CLIENT to the SERVICE PROVIDER arising from or under this Agreement, whether either such liability is liquidated or unliquidated, present or future, accrued or contingent, unless otherwise agreed to in writing by the CLIENT.

In the event that the successful Bidder has been awarded the contract with value above R 5 000 000.00 for the same goods/services on a consecutive basis, the successful Bidder will be required to submit a Supplier development plan for SMMEs to be agreed with the ELIDZ.

Where there is no designated sector, ELIDZ may decide to include a specific bidding condition that only locally produced goods or services with a stipulated minimum threshold for local production and content, will be considered, on condition that such prescript and threshold(s) are in accordance with the specific standards determined by the dti in consultation with the National Treasury.

#### **6 COMPANY PROFILE**

A brief company profile is required, to assist ELIDZ in assessing your capabilities, capacity and competitive advantages.

#### **7 INADEQUATE SERVICE LEVELS AND PERFORMANCE**

In instances of transgression of a more serious nature, should the ELIDZ during the contract period for any reason regard the Service provider's service levels and performance against this contract as being inadequate or not to the ELIDZ's satisfaction, the details will be reduced to writing, clearly headed "Inadequate performance" and sent to the service provider. In the event that the service provider is unable to remedy the complaints to the ELIDZ's satisfaction within 14 days of such notice of inadequate performance, ELIDZ reserves the right to immediately cancel this contract and recover costs in terms of the Service Agreement.

## **8 SERVICE LEVEL AGREEMENT**

The successful tenderer will be required to enter into a written Service level agreement with the ELIDZ which will be based on the draft Agreement set out herein in Section C, which will include Section A and B and include such terms and conditions as Management may require or prescribe to give effect to in terms of its legal obligations.

## **9 PRICE BASIS**

ELIDZ requires the tender price to remain firm for the validity period of ninety (90) days after the closing date of the tender. The tender price shall be in South African Rand.

Where prices are subject to variation it must be noted that no prices are to be revised or invoiced, without prior mutual agreement and official modification of the contract.

## **10 PAYMENT TERMS**

A maximum payment processing period of thirty (30) days will be enforced. The thirty-day period is effective from the date a complete claim is received. A complete claim requires the following to be processed:

- Original invoices;
- Original covering letter of approval by the consultant where applicable;
- Original covering letter of approval by the relevant ELIDZ official where applicable.
- Statement of accounts

All information relating to the ELIDZ's customers (and potential customers), systems, operating procedures etc. is confidential and to this end, the successful tenderer will be required to enter into a Confidentiality Agreement with the ELIDZ.

## **11 SUFFICIENCY OF TENDER**

The tenderer shall satisfy itself before tendering, as to the correctness and sufficiency of its tender for the project. The tenderer shall ensure that the rates and prices it has stated in the schedules cover all the obligations included in the tender and sufficient for the proper completion of the project.

## **12 TENDERER'S CONDITION**

All tenderer's shall be deemed to have waived, renounced and abandoned any terms and conditions printed or written upon any stationery used by the tenderer for the purpose of, or in connection with the submission of this tender.

### **13 DISQUALIFICATION**

Respondents are advised that should there be any contact with ELIDZ staff and the Adjudication Team which could in any way be seen or deemed to constitute a conflict of interest, bribe or otherwise influence the process and the outcome thereof, will result in immediate disqualification.

It must be stressed that any queries relating to this tender must be in writing and within the period of one week from the date of the briefing session, and must be addressed to the Project Manager only. Respondents are not to communicate in any manner or form whatsoever with members of ELIDZ personnel about the RFP until the winning service provider has been selected and such selection has been formally communicated to the public. Any such communications by Respondents with ELIDZ personnel or with persons other than the Project Manager may prejudice a Respondent, and may lead to disqualification from consideration for selection. The ELIDZ cannot accept responsibility for the accuracy of any information obtained outside the formal communication process as stipulated.

Any misrepresentation, in particular as it relates to the truthfulness of involvement of HDI's at both ownership level, management and operational level will also result in immediate disqualification.

### **14 SHERQ COMPLIANCE**

Where applicable before starting work, service providers must produce the following for approval:

1. Project specific Safety, Health & Environmental (SHE) Risk assessments,
  - a. SHE Risk assessments to include activity specific risks, service providers risk to the ELIDZ and the ELIDZ risk to them;
2. SHE plans and safe work procedures must be developed to respond to project specific activities as well as to identified risks: for example (waste management plans, fall protection plans etc.);
3. List of applicable PPE required;
4. Letters of Good standing with workman's compensation where applicable;
5. Applicable legal appointments - as required;

All of the above must be included in a SHE file together with:

1. Copy of scope of work;
2. Copy of appointment;
3. PPE issue register;
4. Requisite training / competency certificates where applicable;
5. Medicals as applicable to the nature of the work (for example, there must be medicals for employees who will be working at heights to confirm that they are fit to work at heights);

## 15 ACCEPTANCE OF TENDER IN WHOLE OR IN PART

The ELIDZ reserves the right to accept the complete tender as submitted by the tenderer or alternatively, to accept only specific “areas of work” (or parts of “areas of work”) of the tender as it sees fit.

Accordingly tenderer’s are advised to ensure that all prices submitted against each “area of work” are sufficient to cover the tenderer’s entire obligation as defined in these documents, required to provide each specific “area of work”.

## 16 METHOD OF SUBMISSION

It will be the responsibility of the tenderer to ensure that the tender reaches the ELIDZ. Proof of posting will not be taken as proof of delivery. **All tender documents submitted are to be securely bound and submitted in duplicate.** Tenderers must submit technical and financial proposals in two separate envelopes clearly marked “Envelope A – Technical Proposal” and “Envelope B – Financial Proposal”. The financial proposal will only be opened should the technical proposal be found to be acceptable.

Envelope A – Technical Proposal:

- Must include numbered or alphabetized section dividers and a contents page that indicates the numbered or alphabetized section names.
- Above-mentioned sections to align to documents listed in the above tables articulating the Supporting and Compulsory documentation to be submitted.

The tender box will be marked tender name “RFP-PROJ/OPS/003/2020” which can be found in the following location:

The ELIDZ, Head Office Reception, Lower Chester Road, Sunnyridge, East London, 5201

Tender must be marked:

For the attention of: Anathi Mzantsi: SCM Officer

The tender should be placed in a sealed envelope marked “RFP-PROJ/OPS/003/2020” and deposited by hand in the tender box before the closing date and time of 12h00, 04 December 2020. ELIDZ WILL NOT BE RESPONSIBLE FOR DOCUMENTS PLACED IN AN INCORRECT TENDER BOX.

The ELIDZ reserves the right:

1. To negotiate with the successful tenderer and/or
2. modify the RFP’s goods / service(s) and request Respondents to re-bid on any changes;
3. reject any Proposal which does not conform to instructions and specifications which are detailed herein;
4. disqualify Proposals submitted after the stated submission deadline;
5. disqualify Proposals submitted that do not meet the goods or services specifications;

6. disqualify Proposals submitted that do not meet the necessary functionality where required;
7. not necessarily accept the lowest priced Proposal;
8. reject all Proposals, if it so decides;
9. place an order in connection with this Proposal at any time after the RFP's closing date;
10. split the award of the order/s between more than one Supplier/Service Provider; or
11. make no award at all;
12. ELIDZ reserves the right not to award business to the highest scoring bidder/s where objective criteria justify the award to another bidder.
13. The ELIDZ does not bind itself to accept your (or any) proposal, nor will it disclose any information regarded as confidential.

## 1. Introduction

The ELIDZ is currently developing a number of structures, initiatives, proposed projects, as well as infrastructure within targeted sectors. There have been particular sectors such as the Information, Communication and Technology (ICT) Sector, which has generated a significant amount of interest from funders who wish to provide capital in exchange for equity. This sector has also recently received strong attention with the Premier of the Eastern Cape who announced that the ELIDZ will be the Provincial Innovation Hub for the Province. The anticipated investment into this sector in the next 5-year period is estimated to be significant and the ELIDZ is planning to be able to accommodate as much investment and private sector funding as possible. Similar interest in this type of business model has also been noted in renewable energy projects where investors would like to invest in energy generation systems, but not particularly own and operate these facilities in their entirety. Agro-Processing is also a targeted sector which may benefit from crowd funding methodologies and an offering of equity to potential investors.

The ELIDZ is facing a reality of reducing budgets from the fiscus and the main source of this funding being the Department of Trade, Industry and Competition (dtic) is now encouraging the industrial zones within South Africa to diversify their capital sources as well as increase private sector participation.

In relation to the ICT Sector, the ELIDZ did not focus on the service sector when it was an Industrial Development Zone (IDZ) as it was not a qualifying activity in terms of the Industrial Development Zone Act (the ELIDZ was only able to accept manufacturers in the ICT Sector and not necessarily run ICT services as a business). However, with the change of the ELIDZ to a Special Economic Zone (SEZ) the dtic have now included a qualifying activity named, International tradable services, effectively opening the opportunity for the ELIDZ to utilise ICT services as a way in which to generate revenue and attract investment.

This recent change is a deviation from the typical business model of the ELIDZ which effectively operates as a property developer and landlord. The ELIDZ is now needing to modify its business model to accommodate the services sector and this will need to be endorsed by the dtic as well as the ELIDZ Board. In order to test the market for investment it will be important for the ELIDZ to pre-package its strategic and identified projects and then in consultation with the market, seek out ways in which to attract private sector funding and offer a suitable return on investment.

After projects are packaged for investment it will be important to identify mechanisms in which to enter into arrangements to allow for private sector funding to support the identified projects. At this point in time the ELIDZ would need to investigate the viability of establishing an investment model which could offer investors equity or returns which meet their investment criteria. The packaged projects can cut across the target sectors of the ELIDZ and this can be released to the market to determine the level of interest and ability to raise capital.

It has been noted that there is an increased interest of investors who differ to traditional investors that seek out facilities to manufacture from. A new interest within the market are investors that are more akin to customers who want to trade in services or who would like to invest in infrastructure and obtain a reasonable return. The ELIDZ needs to consider how to best maximise its benefit by utilising the investment being offered by the private sector to develop various sectors, whilst still abiding by the mandate of bringing investment into the region, creating jobs and decent work, ensuring skills transfer and attracting strategic industry.

The ELIDZ typically utilises dtic funding to construct facilities for investors but capital funds to construct infrastructure for the ICT sector, or infrastructure that is specialised and non-qualifying in terms of the SEZ Act, is becoming increasingly

difficult to access. The private sector has however been approaching the ELIDZ with requests to invest as well as engineer, procure and construct, on projects relating to; ICT, Renewable Energy, Infrastructure and Agro-Processing.

It is envisaged that this project will have a two staged approach with a qualifying gate in order to move from one stage to the following one. The first part of the project will be to assess and package projects up to a bankable feasibility stage. This will ensure that identified projects are “shovel ready” subject to funding being obtained. Only if the ELIDZ can develop such projects to this level of readiness, would the need then move to determining how to transact with investors and what type of model to employ. The ELIDZ has already prepared 12 projects up to a pre-feasibility level and it requires the successful service provider to analyse these projects and determine which of these can be packaged to a bankable level. The ELIDZ would expect 5 projects to be prepared to bankable feasibility level in consultation with the ELIDZ who would also need to agree to the final selection of the 5 qualifying projects.

The ELIDZ has considered a few options with regards to accommodating private sector interest in pipeline projects in alignment with the legislation that governs the zone. Consideration would need to be given to the ELIDZ and its ability to transact in the manner prescribed by the wants of investors. Compliance with the Public Financial Management Act (PFMA) and Special Economic Zone Act would need to allow for this proposed methodology of transacting.

In the investment climate of South Africa today, there are challenges presented by the downgraded status of the country. This has resulted in an increased reluctance of government from approving the formation of further public sector subsidiaries which may result in difficulty in the ELIDZ actively taking part in investments as would be the case with creating special purpose vehicles or separate legal entities. As a result of this, the study would also need to be cognisant of this challenge and attention would therefore need to be given to potentially leverage off investment agencies typically structured to raise investment, such as the Eastern Cape Development Corporation (ECDC), the Buffalo City Metropolitan Development Agency (BCMDA), or others. Consideration can also be given to structuring as a Public Private Partnership (PPP) or even property related mechanisms such as profit sharing.

These models will only be explored after the first phase of the project has been completed and bankable projects are made ready for investment. This would therefore ensure that the ELIDZ does not proceed with developing a mechanism which would not be utilised immediately.

## **2. Considerations**

### **2.1. Requirements Considerations**

The score achieved for quality functionality will be assessed using the following criteria, each of which will be scored individually up to the maximum number of points indicated (failure to submit the relevant information will result in zero score for that section).

# FUNCTIONALITY EVALUATION MATRIX

Evaluation Areas	Evaluation Criteria	Total Max Points	Item Max Points	Evaluation Description
<b>Local Operational Office</b>	Local Operational Office	15	15	Proof of a local office in BCMM Area provided
			8	Proof of a local office in Eastern Cape Province provided

			10	Only one of the above skill sets available
			0	No required skill sets available

**NB:** Minimum points required to proceed to the next evaluation phase is 70 out of 100.

## **2.2. Financial Considerations**

Payment milestones will be attached to the service level agreement.

## **2.3. Time Constraints**

The East London Industrial Development Zone would like this project to commence after the signing of the service level agreement. It is anticipated that this project should not take longer than 7 months to complete.

## **2.4. Area of Service and Facilities**

The delivery of services will be required at the East London IDZ offices, Lower Chester Road, Sunnyridge, East London or anywhere the service is required.

# **3. Detailed Requirements**

This section will aim to unpack all elements require for this project.

## **3.1. Detailed solutions**

The following steps are expected in this project:

- Analyse the 12 projects that the ELIDZ has already prepared to a pre-feasibility level. These projects already have concepts and some design work in place with investment values and job creation identified. It is expected that 5 projects should qualify to be packaged further up to bankable level by the service provider, whilst the remainder of the projects (7 in total) can be updated and presented as opportunities in a pre-feasibility manner.
- Identify investors and ascertain their investment criteria to determine what type of model could be utilised to partner on the projects that are bankable.
- Create a business case forming a high-level concept of how the investment model should be created.
- Obtain approval from the ELIDZ CEO, Board, Provincial Treasury and the dtic to create the new mechanism. This approval will be sought out in conjunction with the ELIDZ.
- Package the 5 bankable projects and package the remaining 7 projects to an updated pre-feasibility level. The appropriate investment mechanism can utilise must also be included in the package after which the ELIDZ will then take these to market.

The specific deliverables include:

Deliverables
<p>Analyse and package 5 IDZ projects (out of 12 which are already prepared to pre-feasible level) up to bankable feasibility stage or “shovel ready” status. The remainder of the 12 projects must then be updated and presented in their current pre-feasibility level. The projects to be analysed are included below:</p> <ul style="list-style-type: none"> <li>• Project A – Grid energy storage system</li> <li>• Project B – Berlin Industrial Node Infrastructure Upgrade</li> <li>• Project C – Solar Photovoltaic Farm</li> <li>• Project D – Berlin Industrial Wind Farm</li> <li>• Project E – Hoodpoint Wastewater Reclamation</li> <li>• Project F – Coastal Data Cable Landfall Station</li> <li>• Project G – Business Process Outsourcing Facility</li> <li>• Project H – Document Storage Facility</li> <li>• Project I – Research and Innovation Campus</li> <li>• Project J – Student Housing Development</li> <li>• Project K – Manufacturing Incubator</li> <li>• Project L – Aquaculture Incubator</li> </ul>
<p>For the bankable projects, the best model in which to engage with private sector funders must be analysed and presented to the ELIDZ for possible adoption and establishment. The ELIDZ will need to be presented with the projects recommended for packaging to bankable level and it will determine which ones should be packaged.</p>
<p>Advice is to be provided on the best model for the ELIDZ to proceed with in terms of the formation of an appropriate investment model that is suited to this type of initiative. The recommendations must also be in line with legislation which would permit the ELIDZ to transact as envisaged and this would need to be tested with the dtic and Treasury.</p>
<p>Development of a business plan and operating model for the new investment mechanism.</p>
<p>Creation of a packaged investment prospectus by the service provider which the ELIDZ will then take to market.</p>
<p>Formation and registration of the investment model together with all necessary ancillary items such as bank accounts, SARS registration, new articles of incorporation, board, or any other required statutory documents or bodies. Any investment partnerships to be created, if identified, with third parties would also need to be identified and detailed so that the ELIDZ could contract with these parties if the study recommends this as such.</p>

## 4. Response Format

### 4.1 Company profile and Location

- Accredited Valid Original or Certified B-BBEE Certificate or Letter from an Accountant confirming Annual Turnover for EMES - Sworn Affidavit confirming annual turnover and B-BEE management split of company
- Valid Tax Clearance Certificate or SARS PIN
- Provide an overview of your company profile.

- Provide information on your operation office locations. Do you have local offices in the BCM Metropolitan Area \ Eastern Cape Province \ National or International?
- Provide a Municipal Clearance Certificate
- Provide an organogram for team allocated to this project in terms of roles and responsibilities

#### **4.2 Service provider skills competency**

- Provide a detailed list of personnel whom will form the team for this project, listing similar projects completed by each team member, their relevant skills \ qualifications and years of work experience relevant to this project.

#### **4.3 Project plan and methodology**

Describe the proposed engagement model with reference to this tender. Please provide the following:

- Describe your proposed solution and approach in detail in response to the detailed requirements
- Include a Gannt chart to detail the project management approach and methodology
- Project Team Skills Matrix and Curriculum Vitae's

#### **4.4 Compulsory Documentation to be Submitted**

- Completed and Signed ELIDZ Procurement Handbook with all relevant supporting documentation (Tax clearance etc.)
- CSD Registration Certificate
- JV Participation Documentation (If applicable)
