BUSINESS STREAMLINED

The East London Industrial Development Zone SOC Ltd is the operator of the East London Industrial Development Zone (ELIDZ), a multi-million-rand infrastructure and bulk services development initiative by the Department of Trade and Industry (DTI) to attract export oriented investment into the city. The zone is located on the West Bank of East London, adjacent to the existing port and airport.

VISION

World class Operator of a prestigious industrial complex where highly competitive organisations thrive on streamlined business benefits and stimulate sustainable regional economic growth.

MISSION

To provide investor solutions and to attract and develop strategic industries that strengthen South Africa's global competitiveness through the development and operation of a thriving, specialized industrial complex.

The ELIDZ pursues its mission through the setting of programmes of action which seek to ensure the creation and delivery of:

- A suitable location for the establishment of strategic investments;
- Promotion and development of productive links between domestic and zone-based industries, to optimize use of existing infrastructure, generation of employment and creation of technology transfers; and
- Enablement of the beneficiation of local resources by resource-seeking industries.

The organization maintains four broad programmes in addressing these objectives. These are:

- Institutional Development and Corporate Administration;
- Zone Development (Infrastructure and Operations);
- Business Development and Investment Promotion; and
- Zone Management and Investor Servicing.

ELIDZ VALUES AND BELIEFS

- We exceed customer expectations and display passion for delivering exceptional service.
- We embrace a challenging style that encourages creativity, free thought and calculated risk-taking in pursuit of ever-higher goals.
- As a team, which values each person's worth and dignity, we learn from each other and from our experiences.
- We accept responsibility with consequences and commit to fair application of the ELIDZ policies, without abuse or manipulation.
- We display transparency in the way we work, and communicate with honesty and integrity in all our relationships.
- We capitalize on diversity and co-operation across departmental boundaries and throughout the company, with our customers and our suppliers.
- We are committed to establishing benchmarked quality in everything we do.

PROCUREMENT

The ELIDZ has established a procurement system with processes that are fair, transparent, equitable and cost-effective. We regard our suppliers as business partners. Service Providers' days shall be held to share information, discuss policy issues and address supplier concerns as a way of building win-win sustainable business relations.

The ELIDZ procurement policy assigned preference to transactions with Local Business (Buffalo City – Eastern Cape – South Africa), Small Businesses and Businesses that are contributing to Broad Based Black Economic Empowerment (BBBEE). Our procurement policy and strategic procurement targets for SMMEs and BEE demonstrate a commitment to socio-economic transformation.

RATIONALE FOR EMPOWERMENT

- Economic advancement.
- Higher growth path is not possible without broad based empowerment.
- Skills, low levels of entrepreneurship and low income are major constraints to economic growth.
- Human and social dimension are important given historical legacy.

BROAD BASED BLACK ECONOMIC EMPOWERMENT (BBEE) STATUS

ELIDZ is committed to social transformation. The company targets SMMEs & BEE enterprises when procuring services and products from vendors. This is done in line with the Preferential Procurement Policy Framework Act (5 of 2000) and its regulations as aligned to the Broad-based Black Economic Empowerment Act (53 of 2003), as amended.

Definition of Terms

Black People: Means African, Coloured, Indian or Chinese persons who are natural persons and

- Are citizens of the Republic of South Africa by birth or descent; or
- Are citizens of the Republic of South Africa by naturalization before the commencement date of the Constitution of the Republic of South Africa Act of 1993; or
- Became citizens of the Republic of South Africa after the commencement date of the Constitution of the Republic of South Africa Act of 1993, but who, for the Apartheid policy that had been in place prior to that date, would have been entitled to acquire citizenship by naturalization prior to that date.

Broad Based Black Economic Empowerment: this means the economic empowerment of all black people through diverse but integrated socio-economic strategies that include:

- Increase the number of black people that manage, own and control enterprises and productive assets;
- Facilitating ownership & management of enterprises & productive assets by communities, workers, cooperatives & other collective enterprises;
- Human resources and skills development; \achieving equitable representation in all occupational categories and levels in the workshop;
- Preferential procurement; and
- Investment in enterprises that are owned or managed by black people

Disability: The definition of persons with disabilities as contained in the employment act is used. It means employees who have a long-term or recurring physical or mental impairment, which substantially limits their prospects of entry into, or advancement in employment. The total number of employees with disabilities (irrespective of race or gender) is expressed as a percentage of the total number of employees (irrespective of race or gender) in all levels of the organisation.
