

EXPRESSION OF INTEREST (EOI)

DEVELOPMENT AND INCUBATION SUPPORT OF AGRO-PROCESSING INNOVATION IDEAS/PROTOTYPES/PRODUCTS

The Science and Technology Park (STP) component of the East London Industrial Development Zone (ELIDZ) was established to contribute towards the ELIDZ's vision of becoming a catalyst for growing a strong regional industrial base, supported by a business ecosystem that serves to extend the global competitiveness of local industries.

The ELIDZ-STP in partnership with DEDEAT and TIA aimed at identifying agro-processing innovation entrepreneurs with ideas/prototypes/products to support their development.

Through this call, Eastern Cape entrepreneurs, SMMEs and/or Start-Ups will have the opportunity to get support for technology/product development, market testing, demonstration and validation in real market and operational settings, thereby enabling exploitation and market uptake of locally developed innovative products and technology solutions.

The EOI is aimed at facilitating an enabling environment for the advancement of technology innovation and commercialisation by adopting a value chain approach which is in line with the Eastern Cape Provincial Agro Industry Development Plan which also aims to drive economic growth and socio-economic development in the province.

SCOPE OF WORK:

The ELIDZ-STP and its partners seeks to provide incubation support to Agro-processing innovation start-ups, innovators, and entrepreneurs in the Eastern Cape.
