SECTION A: General Guidelines

1 EVALUATION CRITERIA AND COMMERCIAL EQUITY GOALS

The East London Industrial Development Zone (ELIDZ) supports national transformation goals and strives to target its procurement to create opportunities for Historically Disadvantaged suppliers and service providers. In awarding this tender, preference will be given to companies with a better rating in terms of contributions towards Broad Based Black Economic Empowerment (BBBEE).

The “tender” will be evaluated in accordance with the ELIDZ Procurement Policy using the 80/20 rule i.e. 80 of evaluation points will be based on price competitiveness and 20 will be based on BBBEE status. The following formula is used:

Calculation of the points for Price:

$$Ps = R \times \left[1 - \frac{Pt - Pmin}{Pmin} \right]$$

Where:

- Ps = Points scored for price of tender under consideration
- R = Percentage of the price
- Pt = Rand value of tender under consideration
- Pmin = Rand value of lowest acceptable tender
- R must be up to a maximum of 80

Score Breakdown:

- Price (R) = 80 points
- BBBEE = 20 points

A maximum of twenty (20) points will be awarded to a tenderer for achieving BBBEE objectives.

Preference points shall be awarded on the basis of a B-BBEE verification certificate issued by an accredited Verification Agency.

Tenderers are required to submit a Valid original or certified B-BBEE Certificate. Failure to submit a valid B-BBEE certificate will result in zero points being awarded for preference.

Unincorporated Joint Ventures are required to compile a consolidated verified BBBEE certificate in order to achieve Preferential Points

The following table shall be used to convert the contribution level as per B-BBEE certificate into points.

Table: B-BBEE Points Conversion

Level Contribution	B-BBEE Score	Points Conversion 20
Level 1	>100%	20
Level 2	85~100%	18
Level 3	75~85%	14
Level 4	65~75%	12
Level 5	55~65%	8
Level 6	45~55%	6
Level 7	40~45%	4
Level 8	30~40%	2
Non-Compliant	0~30%	0

Companies with annual turnover less than R10million (Exempted Micro Enterprises or EME's) are automatically awarded a level 4 contributor status, unless the EME is Black Owned (more than 50% black ownership), in which case the enterprise will have a level 2 contributor status. EME which is 100% black owned qualifies for a level 1 contributor. In awarding the EME status, the ELIDZ shall accept a letter from an accounting firm or SARS confirming a company's turnover as less than R10m as well as a sworn affidavit confirming annual turnover and level of black ownership. B-BBEE certificates issued by non-accredited verification agencies will not be accepted as valid proof of a company's B-BBEE status.

No points will be awarded for achieving B-BBEE objectives if the total percentage scored for B-BBEE is less than 30%. All tenders with functionality less than 70% of the total functional requirements will not be considered for the next stage of tender evaluation.

The tender will be awarded to the bid with the highest number of points. A tender may be awarded to a bidder that did not score the highest number of points if reasonable and justifiable grounds exist.

Any contract offered by the ELIDZ will be based on the correctness of information submitted by the service providers. Any misrepresentation of facts by a service provider may lead to disqualification. Should such misrepresentation be uncovered after the commencement of the contracted work, the ELIDZ reserves the right to terminate the contract and recover all payments made to that service provider and any costs that may have been incurred in the process.

ELIDZ reserves the right to have the tenderer's Black Economic Empowerment Credentials verified by an independent agency. (Procurement Handbook – Annexure: 1 must be fully completed and supplementary information may be completed by service providers with a turnover of less than R10m and be accompanied by letter from an accounting firm or SARS confirming the company's or sworn affidavit turnover is less than R10m).

2 CONDITIONS OF TENDERING

General Conditions

- VAT: Unless otherwise stated all prices will be inclusive of **Value Added Tax**.
- All services provided must comply and be in accordance with pertinent laws and policies of government.

Where the SERVICE PROVIDER has incurred any liability to the CLIENT, whether arising from or under this Agreement or otherwise howsoever arising, the CLIENT may, without notice to the SERVICE PROVIDER set-off the amount of such liability against any liability of the CLIENT to the SERVICE PROVIDER arising from or under this Agreement, whether either such liability is liquidated or unliquidated, present or future, accrued or contingent, unless otherwise agreed to in writing by the CLIENT.

In the event that the successful Bidder has been awarded the contract with value above R 5 000 000.00 for the same goods/services on a consecutive basis, the successful Bidder will be required to submit a Supplier development plan for SMMEs to be agreed with the ELIDZ.

Where there is no designated sector, ELIDZ may decide to include a specific bidding condition that only locally produced goods or services with a stipulated minimum threshold for local production and content, will be considered, on condition that such prescript and threshold(s) are in accordance with the specific standards determined by the dti in consultation with the National Treasury.

6 COMPANY PROFILE

A brief company profile is required, to assist ELIDZ in assessing your capabilities, capacity and competitive advantages. And to an extent that the service provider has the ability to carry out the required services

7 INADEQUATE SERVICE LEVELS AND PERFORMANCE

In instances of transgression of a more serious nature, should the ELIDZ during the contract period for any reason regard the Service provider's service levels and performance against this contract as being inadequate or not to the ELIDZ's satisfaction, the details will be reduced to writing, clearly headed "Inadequate performance" and sent to the service provider. In the event that the service provider is unable to remedy the complaints to the ELIDZ's satisfaction within 14 days of such notice of inadequate performance, ELIDZ reserves the right to immediately cancel this contract and recover costs in terms of the Service Level Agreement.

8 SERVICE LEVEL AGREEMENT

The successful tenderer will be required to enter into a written Service level agreement with the ELIDZ which will be based on the draft Agreement set out herein in Section C, which will include Section A and B and include such terms and conditions as Management may require or prescribe to give effect to in terms of its legal obligations.

9 PRICE BASIS

ELIDZ requires the tender price to remain firm for the validity period of ninety (90) days after the closing date of the tender. The tender price shall be in South African Rand.

Where prices are subject to variation it must be noted that no prices are to be revised or invoiced, without prior mutual agreement and official modification of the contract.

10 PAYMENT TERMS

A maximum payment processing period of thirty (30) days will be enforced. The thirty-day period is effective from the date a complete claim is received. A complete claim requires the following to be processed:

1. Introduction

The East London Industrial Development Zone (ELIDZ) is a Special Economic Zone (SEZ) that operates a world-class industrial park in East London; a city that falls under the Buffalo City Metropolitan Municipality (BCMM). As an operator of this prestigious industrial park, the ELIDZ is home to global investors that conduct business in a wide variety of sectors that contribute to the success of the South African economy.

Several of the over forty (40) investors that operate in the ELIDZ are global automotive component suppliers to the BCMM based Original Equipment Manufacturer (OEM), namely Mercedes Benz South Africa (MBSA). Due to operating from our state-of-the-art facilities in our location, some of the suppliers have managed to acquire new business and supply other OEMs around the country. As such, the ELIDZ is a platform that allows businesses to grow while benefitting from a range of streamlined business solutions provided by the ELIDZ.

The ELIDZ operates a Science and Technology Park (ELIDZ STP) to incubate Small Macro and Medium Enterprises (SMME). The ELIDZ through the ELIDZSTP wants to establish a manufacturing incubator.

2. Considerations

NB: Minimum points required to proceed to the next evaluation phase is 70 out of 100.

2.2. Financial Considerations

Payment milestones will be attached to the service level agreement.

2.3. Time Constraints

The East London Industrial Development Zone would like this project to commence within one (1) month of award after the signing of the service level agreement.

2.4. Area of Service and Facilities

The delivery of services will be required at the East London IDZ offices, Lower Chester Road, Sunnyside, East London or anywhere the service is required.

3. Detailed Requirements

3.1. Detailed solutions

Provision of Consulting and Advisory Services

- Provide support to the ELIDZ in developing the infrastructure required to establish an incubator.
- Assist the ELIDZ in negotiating with OEMs to acquire commitment from said OEM and recording these commitments into a contract. The service provider will be required to negotiate the best deals for the incubates so that they have a better chance of building sustainable businesses.
- Support the ELIDZ in other areas of consulting and advisory that the two entities agree on.

Provision of services as an Operating Partner of the facility

- The Service Provider is expected to develop or have a blueprint of developing successful auto and manufacturing incubators and will thus provide the required expertise for building an ELIDZ Incubator that emulates and/or replicates the existing facilities.
 - Develop business cases and look for funding for the operations of the various business cases.
 - The start will be 10 incubated companies
- Assist the ELIDZ in establishing the foundation for a sustainable automotive manufacturing incubator, this includes the offering of shared services to the incubates. The service provider will need to lobby for funding in order to offer these services, which services will be offered by the same service provider.
- The Service Provider will be responsible for designing a skills transfer matrix that will ensure that the requisite skills are transferred to the ELIDZ and incubates for their future sustainability. The service provider must package training and negotiate training interventions with other OEMs and institutions to ensure the manufacturing and auto motive skills are fully transferred to both the ELIDZ and incubates. The service provider must develop a road map which will be used going forward of training requirements for incubates. They will also need to negotiate with OEMs for support in this regard on behalf of the incubates. (This will be charged, costed into the business case and the funding proposal that the service provider will draft and lobby for funding for)

4. Response Format

4.1. Company profile

- Provide an overview of your company profile.
- Provide proof of setting up/operating an Automotive manufacturing incubator linked to an OEM. Contracts and agreements signed with entities.
- Provide an organogram for team allocated to this project in terms of roles and responsibilities

4.2 Service provider experience and skills competency

- Provide CVs clearly articulating the number of years' experience in the required environment
- Provide a detailed list of personnel whom will form the team for this project, listing similar projects completed by each team member, their relevant skills \ qualifications and years of work experience relevant to this project. Include curriculum vitae's where possible.
- Provide a minimum of two references relevant to this tender, with completed reference letters, stamped, signed and dated by the referee.
- Provide details of the relevant services offered to these references, establishing a track record as well as provide contactable references at these sites \ clients.

4.3 Detailed specification

- Describe your understanding of the requirements in this tender.

4.4 Project plan and methodology

Describe the proposed engagement model with reference to this tender. Please provide the following:

- Engagement Structure
- Describe your proposed solution in detail in response to the detailed requirements

4.5 Project Approach

Provision of Consulting and Advisory Services

- Provide support to the ELIDZ in developing the infrastructure required to establish an incubator.
- Assist the ELIDZ in negotiating with OEMs to acquire commitment from said OEM and recording these commitments into a contract. This will include all the documents required to get this commitment.
- Support the ELIDZ in other areas of consulting and advisory that the two entities agree on.

Provision of services as an Operating Partner of the facility

- Blueprint of developing successful auto and manufacturing incubators, and will thus provide the required expertise for building an ELIDZ Incubator that emulates and/or replicates the existing facilities
- Assist the ELIDZ in establishing the foundation for a sustainable automotive manufacturing incubator
- Designing a skills transfer matrix that will ensure that the requisite skills are transferred to the ELIDZ and incubates for their future sustainability
- Skills plan provided for the transfer knowledge to the ELIDZ and incubates for their future sustainability
-

Please provide a 3 year project Gant chat or clearly articulated activities with timeframes.

4.6 JV Participation Documentation (If applicable)

- Procurement Handbooks for both entities
- Consolidated BBBEE certificate for joint venture
- JV agreement indicating participation split
- Letter of authorization for JV agreement
