- General Notes:**
- All dimensions and levels are to be checked on site by the Contractor and discrepancies must be reported to the Architect before any work commences.
  - This drawing is to be read in conjunction with all other drawings including those of Consultants and/or Bills of Materials and/or specification issued for this project.
  - Scaled dimensions are not to be used for construction. Should there be any discrepancies or lack of dimensions the Architects are to be contacted for clarification.
  - Only drawings numbered 200 WD and upwards and showing the latest revisions are to be used for construction. All previously issued drawings are to be destroyed.
  - This drawing is only to be used for the project and site for which it was prepared.
  - No setting out is to commence before the positions of the boundary pegs on the site have been verified by a Land Surveyor.
  - Sewer connection to comply with municipal regulations.
  - The Architects reserve the copyright on this drawing.
