1 EVALUATION CRITERIA AND COMMERCIAL EQUITY GOALS

The East London Industrial Development Zone (ELIDZ) supports national transformation goals and strives to target its procurement to create opportunities for Historically Disadvantaged suppliers and service providers. In awarding this tender, preference will be given to companies with a better rating in terms of contributions towards Broad Based Black Economic Empowerment (BBBEE).

The “tender” will be evaluated in accordance with the ELIDZ Procurement Policy using the 80/20 rule of evaluation points will be based on price competitiveness and 20 will be based on Specific Goals scoring. The following formula is used:

Calculation of the points for Price:

$$P_s = R \times \left[1 - \frac{P_t - P_{min}}{P_{min}} \right]$$

Where:

- P_s = Points scored for price of tender under consideration
- R = Percentage of the price
- P_t = Rand value of tender under consideration
- P_{min} = Rand value of lowest acceptable tender
- R must be up to a maximum of 80

Score Breakdown:

- Price (R) = 80 points
- Specific goals = 20 points

A maximum of 20 points may be awarded to a tenderer for the specific goal specified for the tender. The points scored for the specific goal must be added to the points scored for price and the total must be rounded off to the nearest two decimal places.

Subject to section 2(1)(f) of the Act, the contract must be awarded to the tenderer scoring the highest points.
