

# EXPRESSION OF INTEREST (EOI)

## PROTOTYPE DEVELOPMENT WITHIN 3 MONTHS

The East London Industrial Development Zone SOC Ltd is the operator of the East London Industrial Development Zone (ELIDZ), an entity that exists to assist and support manufacturers to become globally competitive through the development and efficient management of modern, purpose-built industrial location, which offers investing industries streamlined business environment enhanced by a range of supporting services. The zone currently houses a number of manufacturers that supply products for the local, regional and international markets.

The Science and Technology Park (STP) a component of the East London Industrial Development Zone (ELIDZ) has been established to contribute towards increasing the competitive and comparative advantages of the zone as an investment destination through the utilization of innovation. The STP is supporting research and technology development, thus, enhancing the fourth industrial revolution (4IR) initiatives in the Eastern Cape Province while at the same time supporting the development of SMMEs in various industries within the ELIDZ and Eastern Cape Province at large.

The STP is supporting the development of entrepreneurs (SMMEs) with a specific focus on the sectors that the ELIDZ is driving, namely: Automotive, Advanced Manufacturing, ICT and Electronics, Renewable energy, Agro-processing and Aquaculture. The ELIDZ-STP provides support services for new and small businesses targeting black-owned, women and youth-owned businesses in the following services: prototype development, research, and business development support services.
