services.

3 Section F-F\_2

**S.8 Staircases**  
Staircases to upper levels of offices are reinforced concrete. There are no staircases leading to roof zones.

**S.8 Canopies**  
Cantilevered structural steel canopies will be provided above roller shutter doors. Canopies will be nominally 6000mm in length on north and south elevations and 4800mm in length on east and west elevations.
