Financial Offer Evaluation

The score achieved for financial offer will be determined using formula 2 (option 1) as follows:

$$\text{Points awarded} = 80 \left[1 - \frac{P - P_m}{P_m} \right]$$

Where P = the comparative offer of the tender offer under consideration
 P_m = the comparative offer of the lowest responsive tender

Preference Evaluation Criteria

A maximum of twenty (20) points will be awarded to a tenderer for achieving BBBEE objectives. BBBEE points shall be computed using a relevant scorecard as guided by the company's annual turnover. This is in accordance with the new Codes of Good Practice. No points will be awarded for achieving BBBEE objectives if the total percentage scored for BBBEE is less than 30%.

All tenders with functionality less than 70% of the total functional requirements will not be considered for the next stage of tender evaluation. ELIDZ reserves the right to negotiate if preferred bidder's proposal exceeds ELIDZ project estimate.

The tender will be awarded to the bid with the highest number of points. A tender may be awarded to a bidder that did not score the highest number of points if reasonable and justifiable grounds exist.

Any contract offered by the ELIDZ will be based on the correctness of information submitted by the service providers. Any misrepresentation of facts by a service provider may lead to disqualification. Should such misrepresentation be uncovered after the commencement of the contracted work, the ELIDZ reserves the right to terminate the contract and recover all payments made to that service provider and any costs that may have been incurred in the process.

ELIDZ reserves the right to have the tenderer's Black Economic Empowerment Credentials verified by an independent agency. (Procurement Handbook – Annexure: 1 must be fully completed and supplementary information may be completed by service providers with a turnover of less than R10m and be accompanied by letter from an accounting firm or SARS confirming the company's or sworn affidavit turnover is less than R10m).

CERTIFICATE OF INDEPENDENT BID DETERMINATION (SBD 9)

I, the undersigned, in submitting the accompanying bid:

(Bid Number and Description)

in response to the invitation for the bid made by:

(Name of Institution)

do hereby make the following statements that I certify to be true and complete in every respect:

I certify, on behalf

of: _____ that:

(Name of Bidder)

1. I have read and I understand the contents of this Certificate;
2. I understand that the accompanying bid will be disqualified if this Certificate is found not to be true and complete in every respect;
3. I am authorized by the bidder to sign this Certificate, and to submit the accompanying bid, on behalf of the bidder;
4. Each person whose signature appears on the accompanying bid has been authorized by the bidder to determine the terms of, and to sign the bid, on behalf of the bidder;
5. For the purposes of this Certificate and the accompanying bid, I understand that the word "competitor" shall include any individual or organization, other than the bidder, whether or not affiliated with the bidder, who:

(a) has been requested to submit a bid in response to this bid invitation;

(b) could potentially submit a bid in response to this bid invitation, based on their qualifications, abilities or experience; and

- (c) provides the same goods and services as the bidder and/or is in the same line of business as the bidder
6. The bidder has arrived at the accompanying bid independently from, and without consultation, communication, agreement or arrangement with any competitor. However communication between partners in a joint venture or consortium³ will not be construed as collusive bidding.
7. In particular, without limiting the generality of paragraphs 6 above, there has been no consultation, communication, agreement or arrangement with any competitor regarding:
- (a) prices;
 - (b) geographical area where product or service will be rendered (market allocation)
 - (c) methods, factors or formulas used to calculate prices;
 - (d) the intention or decision to submit or not to submit, a bid;
 - (e) the submission of a bid which does not meet the specifications and conditions of the bid; or
 - (f) bidding with the intention not to win the bid.
8. In addition, there have been no consultations, communications, agreements or arrangements with any competitor regarding the quality, quantity, specifications and conditions or delivery particulars of the products or services to which this bid invitation relates.
9. The terms of the accompanying bid have not been, and will not be, disclosed by the bidder, directly or indirectly, to any competitor, prior to the date and time of the official bid opening or of the awarding of the contract.

³ Joint venture or Consortium means an association of persons for the purpose of combining their expertise, property, capital, efforts, skill and knowledge in an activity for the execution of a contract.

10. I am aware that, in addition and without prejudice to any other remedy provided to combat any restrictive practices related to bids and contracts, bids that are suspicious will be reported to the Competition Commission for investigation and possible imposition of administrative penalties in terms of section 59 of the Competition Act No 89 of 1998 and or may be reported to the National Prosecuting Authority (NPA) for criminal investigation and or may be restricted from conducting business with the public sector for a period not exceeding ten (10) years in terms of the Prevention and Combating of Corrupt Activities Act No 12 of 2004 or any other applicable legislation.

C3 **SCOPE OF WORK**

C3.1 **DESCRIPTION OF THE WORKS**

C3.1.1 **Employer's Objectives**

The East London Industrial Development Zone SOC Ltd (ELIDZ) is the duly appointed operator of the East London Industrial Development Zone, and as such has an obligation to ensure that the various facilities and services that they own and control are at all times fully operational and able to perform the function for which they were intended.

Accordingly, the ELIDZ has a need to enter into contracts with suitable service providers who are able to carry out the various inspections, maintenance activities and repairs which are necessary to support these objectives.

C3.1.2 **Overview of the Works**

The maintenance services comprise both scheduled and unscheduled items as described below:

Responsibility / Function
➤ Routine inspections, checking and clearing of daily alarms.
➤ Routine inspections, checking and maintenance of all card readers, motorised booms and motorised gates.
➤ Maintenance services to Entrance/Exit Aluminium Double doors and all strike and magnetic locks.
➤ Preparation and approval of weekly routine repair and replacement program.
➤ Routine repairs & replacement of defective equipment.
➤ Call-outs to attend to defective equipment.
➤ Maintain/Support software system and update as necessary and as new installations are installed throughout the estate.

Preliminary & General:

Monthly Charges

- Provision of tools, equipment & plant
- Provision of staff and administration

Contract Charges

- Provision of sureties
- Provision of insurance
- Provision of site establishment
- Provision of staff induction
- Provision of PPE
- Compliance with OHS
- Compliance with CEMP
- Disposal of hazardous materials

Routine maintenance (inclusive of all labour, equipment, transport, and all overhead costs)

Provide qualified personnel for 14 days per month - to conduct routine maintenance on substation & electricity network, clear all alarms, rectify system & communication faults, update displays, create reports, write programs as and when required.

General maintenance items inclusive of supply and installation.

The appointed service provider will be required to supply, store and deliver materials from the list provided and at the rate tendered, if and when instructed to do so by the engineer. The quantities listed shall not be interpreted as indicating the overall scope of work to be undertaken under the contract, and the Engineer shall instruct the Contractor as to the actual extent of work to be carried out under each billed item.

Provisional Sums

This portion of the contract deals with extra over rates which comprise of call out rates, contingencies, labour and transport rates.

C3.1.3 Extent of the Works

The maintenance services as defined above are required in Zones 1A, 1B, 1C, 1D, and ELIDZ head office building as well as the factory units at the Automotive Supplier Park, the Horticultural Centre, the Vehicle Storage Centre (VSC) and the Waste Sorting Facility (WSF).

Should the need arise the maintenance services may be extended to include one or more portions of new works undertaken on behalf of the ELIDZ. This additional work shall be undertaken at billed rates wherever possible.

Although the Bills of Quantities contain a quantity for each item of work, these are included only to ensure realistic pricing and for budget purposes.

The quantities shall not be interpreted as indicating the overall scope of work to be undertaken under the contract, and the Engineer shall instruct the Contractor as to the actual extent of work to be carried out under each billed item.

C3.1.4 Location of the Works

Zone 1 of the East London Industrial Development Zone is located within Buffalo City on the western side of the Buffalo River, between the East London port and airport.

The actual location of each sub-zone is more fully described in the following table:

SUB-ZONE	DESCRIPTION OF LOCATION
Zone 1A	Situated south-west of Sunnyside, between the Harbour Arterial Road and Prince George Circuit, and accessed from the traffic circle at the lower end of the new Chester Road.
Zone 1B	Situated west of Sunnyside, on the northern side of the Harbour Arterial Road and to the east of the Breezyvale Distributor Road, with access off the Breezyvale Distributor Road slightly north of the traffic circle at the western end of the Harbour Arterial Road.

Zone 1C	Situated south-west of Sunnyridge, on the northern side of the Harbour Arterial Road, with access off the Harbour Arterial, opposite the IDZ Transportation Building.
Zone 1D	Situated between Sunnyridge and the airport, on the south of Settlers Way, and accessed from Millard road.
HQ	Situated on lower Chester Road Sunnyridge
Zone 1F	Off Military Road

C3.1.5 **Temporary Works**

The provision of any temporary works of whatever nature, required for execution of the scheduled items, shall be the responsibility of the Contractor, and the cost thereof shall be included in the rates for the respective items of work.

C3.2 **DRAWINGS**

C3.2.1 **Drawings will be issued at award stage to the successful tenderer**

C3.3 **PROCUREMENT**

C3.3.1 **Preferential Procurement Procedures**

The ELIDZ Procurement Handbook is included in envelope "A" of the tender submission and must be completed in full

C3.3.2 **Subcontracting**

As stipulated in the General Conditions of Contract, the Contractor shall not subcontract any part of the contract without the prior written consent of the Employer. Accordingly, the Contractor shall submit his list of proposed subcontractors to the Employer or his representative for approval, prior to commencement of any activities on site.

C3.4 **MAINTENANCE WORKS**

C3.4.1 **Works Specifications**

The standard specifications applicable to this contract are the following **South African Bureau of Standards Standard Specifications:**

Act No. 85 of 1993	The Machinery & Occupational Health and Safety Act

ISO/IEC 27002	International Organisation for Standardisation (ISO) and the International Electrotechnical Commission (IEC)

The additional and particular Specifications applicable to this contract are:

ELIDZ Occupational Health and Safety Specification
ELIDZ Construction Environment Management Plan

These specifications are bound in with the tender documentation.

C3.4.2 SCHEDULED MAINTENANCE WORK

The lists below describe in detailed the required schedule maintenance.

a) **Log Books**

The Contractor will be required to compile a log book for the duration of the project

b) **Record keeping**

A record shall be kept of each inspection and test in a book kept:

- at the Admin Building in the Engineer's office

The record book shall state at least the following:

- List of all equipment inspected
- The date and name of the person and company carrying out the services / tests / inspections
- Comments on the tests or inspections.

The Contractor shall also keep an updated duplicate of each log book at its own premises

c) **Equipment and components removed**

The contractor shall compile an inventory of all equipment and components that are removed during a replacement action. The inventory shall also indicate which equipment is still usable and is retained by the Contractor for future use in this contract.

d) **Routine maintenance requirements**

The work to be undertaken entails the provision of monthly maintenance services of the internal substation including electricity network equipment within the ELIDZ.

The services defined are based on the current understanding of the requirements and strategic and business objectives of the Employer. It therefore follows that, as the need arises, the services may be amended (by agreement between the parties) to ensure that it at all times reflect the realities of the relationship between the Employer and the Contractor.

The service responsibilities stipulated shall not be construed as an exhaustive list and the Contractor shall be required to provide additional services or to comply with ancillary responsibilities to the extent that this may be required for the effective compliance with the stipulated responsibilities and to ensure that the Premises are serviced during Service Hours.

e) **Unscheduled requirements**

Unscheduled works will include Emergency, Urgent, and Routine response to requirements not included in the Routine maintenance requirements, and the replacement of equipment and components as listed in the BOQ. Provisional Sums have been included in the Bill to cater for such eventualities

C3.5 Existing Services

All areas within which the Contractor is required to undertake maintenance operations are serviced with the full range of civil, electrical and communication services, most of which are below ground. The Contractor will be issued with drawings showing the positions of the services that are included in the contract and will be required to determine the position of all other known services which may be affected by his work, by consultation with the Employer or his representative.

The Contractor may be required to undertake work in close proximity to existing services in which case he shall take all necessary precautions to prevent any damage to these services. Should his operations result in any damage to existing services, he shall immediately notify the Employer or his representative who will inspect the damage and determine what further action is required. The Contractor shall be responsible for the cost of all repairs or reinstatement necessary, whether these are carried out with his own resources or by a third party.

C3.6 Site establishment

a) Facilities provided by the Employer

The ELIDZ will provide, free of charge suitable office and workshop accommodation.

b) Facilities provided by the Contractor

Should establishment of any temporary facilities be required to enable the Contractor to carry out any aspect of the work, then the location, cost, and extent of such facilities shall require prior approval of the Employer or his representative.

The Contractor will not be required to provide an office, telephone, vehicle or any other facilities or equipment for the exclusive use of the Employer, the Employer or his representative or their staff.

c) Notice Boards

A notice board is not required, nor will the Contractor be permitted to erect his own advertising board.

C3.7 Site Usage

The Contractor shall restrict his operations to the immediate vicinity of the work being carried out and he shall not be permitted to unnecessarily obstruct or impact on other adjacent areas.

C3.8 Permits and Way Leaves

Permits and way leaves are not required for horticultural work on the IDZ, but accurate records must be kept of all work done

C3.9 Alterations, Additions, and Extensions to Existing Works

Wherever the Contractor is required to carry out new works tying into existing infrastructure, he shall first check that the information provided for the existing works is accurate and correct. Should there be any discrepancies as regards position, or defects in the quality of the existing work which may affect the proposed work, then the Contractor shall report these to the Employer or his representative and request clarification prior to proceeding with the new construction.

C3.10 Management of the Works

a) **Planning and Programming**

Within 14 days of the Commencement Date and prior to commencement of any operations on site, the Contractor shall prepare and submit to the Employer or his representative a Maintenance Plan that provides full details of the sequence and timing of the scheduled inspections and maintenance activities required in terms of the contract. This shall cover the entire contract period, and shall be amended and revised as necessary until approved by the Employer or his representative.

In addition, one week before the end of each month, the Contractor shall submit a list of work to be carried out during the following month, together with the anticipated expenditure, using the relevant items from the Bills of Quantities. The list shall include both scheduled maintenance items and unscheduled additional work items as requested by the Employer or his representative, and shall form the basis of the work to be carried out and paid for during the month. The Contractor shall not be entitled to claim for payment for scheduled items that have not been included in the monthly schedule and approved by the Employer or his representative.

b) **Sequence of the Works**

The sequence of work shall be carried out strictly in accordance with the maintenance plan and monthly schedule as detailed above.

Certain other aspects of unscheduled work may be required from time to time in response to call-outs. The response to any call-out shall be categorised according to the need for urgency in attending to the call-out.

The applicable categories of call-out are defined as follows:

i) **Emergency Response:** This shall be defined as an event that requires an immediate response or action to prevent and/or mitigate against damage, harm or injury to persons or property, or to limit the disruption of services. The Contractor shall respond to an emergency call-out within 2 hours.

ii) **Urgent Response:** This shall mean any failure or repair requirement that could significantly affect the services or pose a danger if left unattended for any length of time. The Contractor shall respond to an urgent call-out within 24 hours.

iii) **Routine Response:** This shall apply to all other failures or repairs other than those requiring either an emergency or urgent response. These items shall be dealt with as unscheduled additional work items as requested by the Engineer (refer to a) above).

All items of work shall be categorised as routine.

Items will however be included in the Bill of Quantities to allow for additional payment in the event that the Engineer requires either an urgent or emergency response to a specific aspect of unscheduled work.

c) **Methods and Procedures**

Prior to the commencement of any work on the site the Contractor shall submit method statements for each separate maintenance, repair or construction activity that he is required to undertake. The method statements shall be submitted to the Employer or his representative for approval at least 10 days prior to the scheduled start of the activity. The method statements shall set out the procedures to be followed in carrying out the activity and shall include details of compliance with both Occupational Health and Safety and Environmental aspects.

The Contractor shall ensure that his staff and workers are properly trained in the safe and effective use of any equipment, plant or materials necessary to undertake the work.

d) Quality Control

The Contractor shall ensure that the appearance of his staff is neat and tidy, and he shall provide them with appropriate and easily identifiable uniforms, preferably with the Contractor's logo, to enable them to be recognised at all times while on site.

The Contractor shall provide whatever samples of materials are required for approval prior to commencement, and shall undertake all necessary tests that are required in terms of the applicable specification to ensure that his workmanship meets the required standard.

e) Environment

Environmental considerations applicable to this project are detailed in the ELIDZ Construction Environment Management Plan (CEMP).

The Contractor shall ensure that he is fully aware of the requirements of the CEMP and that he understands his responsibilities regarding both his management of the project and the actual construction activities on site.

f) Accommodation of Traffic

The Contractor shall be responsible for the safety of all vehicular and pedestrian traffic affected by his work and shall provide the necessary deviations together with all warning signs, barricading and lighting fully in compliance with the requirements of the SADC Road Traffic Signs Manual.

The Contractor shall maintain access to all buildings and properties affected by his work and shall liaise with the relevant tenants and the IDZ to agree temporary or partial closure of any access point.

g) Other Contractors

Various other maintenance activities and construction contracts will be underway concurrently with this contract. The Contractor may be required to co-ordinate his activities together with the activities of the other contractors and shall be notified of specific requirements by the Employer or his representative.

h) Testing, Completion, Commissioning

Each separate maintenance, repair or construction activity included in the contract shall be fully tested and independently commissioned on completion and shall immediately thereafter be made available for use by ELIDZ or the relevant tenant.

i) Communications

All communication of whatever nature shall be through the Project Manager or the ELIDZ Project Manager. All communication will be confirmed in writing within seven days, preferably via email, with supporting documentation, reports and or photos

j) Key Personnel

Within 14 days of the Commencement Date and prior to commencement of any operations on site, the Contractor shall submit to the Employer or his representative detailed CV's of his key personnel together with their relevant contact details. Should the

key personnel not be the same as those included in the tender submission (at the time of contracting or during execution of the services), then the Contractor shall be required to submit for the prior approval of the Employer the names of personnel with equivalent or better qualifications and experience. Failure on the part of the Contractor to do so, shall permit the Client, without prejudice to its other rights, to summarily, and on such terms and notice as it may be deeming fit terminate the agreement.

k) Management Meetings

The Contractor shall be required to attend a monthly meeting and inspection of work done and in progress during which all aspects relating to the progress, scope, expenditure, OHS and general administration of the contract will be discussed. The Contractor shall ensure that his representative at the meeting has the necessary understanding and authority to make decisions regarding these issues. Contractor shall submit a written report at the meeting for review and comment

l) Payments

All payments to the Contractor shall be by means of electronic transfer and the Contractor shall provide his banking details to the Employer or his representative together with the initial payment claim. Monthly claims will be valued by the Project Manager and submitted to the employer for payment within 30 days of receiving a corresponding original VAT invoice and statement

m) Records

The Contractor shall be required to provide a detailed report at the end of every month on a word document in both hard and electronic format. The monthly report shall be in a format to be agreed with the Employer and the Project Manager and shall contain the following:

- Results of all routine inspections carried out.
- A record of the routine maintenance activities undertaken.
- Details of of repair work done
- Proof of additional/specialist work completed
- A monthly record of resources (both personnel and equipment) utilised on site.
- Incident report and actions taken
- Compliance to OHS and CEMP documents

The report shall be submitted within seven days of the end of each month, and no payment will be made to the Contractor until the report has been received.

n) Payment Certificates

After an audit has been carried out by the Project Manager, a payment Certificate shall be drawn up in an agreed format based on the bills of quantities and any variation orders authorised. The date for submission of each payment claim shall be agreed with the Employer or his representative. The procedure for preparation of Payment Certificates shall be as follows:

- The actual quantity for each item shall be agreed with the Engineer based on the cumulative total of the previous monthly quantity and the additional work carried out during the month.
- The Contractor shall draw up and submit his claim using the agreed quantities.
- The Engineer shall check the claim and certify the amount to be paid.
- The Contractor shall provide a VAT invoice to the Engineer for the certified amount.

- The Engineer shall submit the claim, the VAT invoice and the payment certificate to the Employer.

o) Permits

The Contractor is required to obtain identity tags and access cards issued free of charge by the ELIDZ for all his staff that enter the site. He shall make prior arrangements with the ELIDZ to obtain the tags timeously, as no member of his staff shall be allowed on site without the identity tag clearly displayed.

p) Proof of Compliance with the Law

The Contractor shall be required to comply with all regulations and laws of whatever nature that are applicable to his operations throughout the duration of the contract, and shall produce documentary evidence when requested for all aspects, including, but not limited to:

- Valid proof of registration with the Compensation Commissioner.
- Proof of registration for income tax and VAT.
- Compliance with the Occupational Health and Safety Act and Construction Regulations.

C3.11 Health and Safety Requirements and Procedures

The Contractor shall comply with all relevant aspects of the Occupational Health and Safety Act together with the Regulations referred to therein, as applicable to the scope of his activities.

Particular attention must be paid to the issuing of the relevant Notices, appointment of responsible people, undertaking Hazard Identification and Risk Assessments, and preparation of a Health and Safety Plan within 21 days of appointment for comment and approval. All necessary documentation shall be prepared and submitted for comment and approval prior to commencement with any work on site.

Specific Health and Safety considerations applicable to this project are detailed in the ELIDZ Occupational Health and Safety Specification. (Appendix A)

Method statements submitted for the Contractor's maintenance activities shall include details of compliance with Occupational Health and Safety within 21 days of appointment for comment and approval.

The Contractor shall ensure that all his personnel are properly inducted with respect to the ELIDZ Occupational Health and Safety standards prior to their undertaking any work within the IDZ premises.

The Contractor shall provide the necessary personal protective equipment and clothing to all staff as necessary for the type of work being carried out.

No member of the Contractor's staff shall be allowed on site while under the influence of alcohol or drugs. Any member of his staff that exhibits any signs of alcohol or drug usage shall be removed from the ELIDZ premises by security staff.

The Contractor shall be responsible for the protection of the public in the areas in which he is working and shall provide barricades and lighting as necessary to ensure their safety. He shall also be responsible for the safe control of traffic wherever his works impact on the existing roadways.

C3.12 Environmental Management Plan (EMP) Requirements and Procedures

The Contractor shall comply with all relevant aspects of the ELIDZ Construction Environmental Management Plan (CEMP) together with the Regulations referred to therein, as applicable to the scope of his activities.

The ELIDZ CEMP is attached as Appendix B

Particular attention must be paid to the issuing of the relevant Notices, appointment of responsible people, undertaking Environmental Risk Assessments, and preparation of Method Statements for comment and approval prior to commencement with any work on site.

The Contractor shall ensure that all his personnel are properly inducted with respect to the ELIDZ CEMP standards prior to their undertaking any work within the IDZ premises.
